## Dear Parks, Recreation & Cultural Services Patrons,

This will be one of the most important years in the history of Lodi's Parks, Recreation and Cultural Services Department. That's no overstatement.

We will soon begin working on a strategic plan to guide us for the next five to 10 years. It's been more than 20 years since the Department's last study, and we want to make sure we're on track to meet the community's recreational needs and expectations.

Without asking, it's hard to know if we're doing what you want. The Lodi community has changed over the past two decades, and we want to be relevant in your lives. That's why we exist.

While our staff will be busy, the strategic plan will only be as good as you, members of the Lodi community, make it. You can help by participating in the public meetings and workshops we'll be holding later this year, stopping by our booths at the downtown farmers market and the May 4 Lodi Street Faire, and responding to our surveys.

If you have the opportunity, please take some time this year to provide us with the feedback we're looking for. We operate with finite resources, so we want to be sure we're focused in the right direction, working cost-effectively and serving the community the way it deserves.

So when you see Department staff at one of our outreach events, be sure to say hi and let us know how we're doing.

Sincerely,

Jeff Hood

Director

## Lodi Lake Receives \$710,000 Grant for Boating Improvements

Lodi Lake Park will receive up to \$710,000 in state funding from the State of California, Division of Boating and Waterways Harbors and Watercraft Revolving Fund for a major renovation of Lodi Lake's northwest side.

The project includes replacing the dock, replacing the boat ramp, expanding parking, replacing crumbling asphalt, and installing disabled accessible restrooms. The existing ramp is a patchwork of previous repairs and deteriorating concrete, making it difficult to launch boats from trailers. Construction on the below-waterline elements is tentatively scheduled to take place in early 2015, coinciding with the Woodbridge Irrigation District's annual maintenance program that results in the draining of Lodi Lake.

"With so little public access to inland waterways, especially in the Central Valley, we're thankful the Commission found this project to be worthy of funding," said Jeff Hood, Director of Lodi's Parks, Recreation and Cultural Services Department. "Thanks to the State's assistance, Lodi Lake Park and the Mokelumne River will be an even greater draw for recreation in the region, benefiting the entire city."

The project also includes expanding the existing six vehicle-trailer parking area to provide spaces for 26 vehicles with trailers, 40 single vehicles, one accessible vehicle with trailer, and a disabled-accessible single vehicle. In addition, new pathways will be created between the disabled-accessible parking spaces, restroom, fishing pier, boat launch ramp and boarding pier.

The California Boating and Waterways Commission endorsed the project at its meeting in late February. Funding for the improvements are already included in the State's budget for Fiscal Year 2013/14. PRCS staff worked in securing scarce state dollars for the benefit of Lodi's citizens. The dedication of PRCS staff, together with the state's assistance, will keep Lodi Lake one of the crown jewels of our parks system for many years into the future.

The Division of Boating and Waterways is supportive of projects that improve access and waterfront recreation for the public in California.

## Hutchins Street Square Pool Receives Filtration System Upgrade

In 2013, the Hutchins Street Square Pool received a new fiberglass liner. In continuing efforts to improve waste quality and the enjoyment of the pool's many visitors, City will be installing a new filtration and sanitation system that reduces the need for chemicals and energy.

The old system was installed in 1989 and is currently outdated and inefficient. It relies on manual operation instead of an automated control to manage water quality as the number of swimmers change from day to day. The new pool filtration system update will consist of removing the existing filtration system and installing a new filter, chlorine feed system, pH buffering system, water chemistry controller, flow meter, and ultra-violet disinfection system, and other ancillary improvements. Ultra-violet disinfection, coupled with chlorine disinfection, significantly reduces chlorine dosing requirements and other disinfection by-products (such as chlorine smell) that are more noticeable in indoor pools.

The work was scheduled to be performed in April and the pool is anticipated to be closed for a few weeks. We hope patrons of the pool will continue to enjoy swimming at Hutchins Street Square.

## Headwaters Kayaks Coming to Lodi Lake This Summer

The local business, Headwaters Kayak Shop located on Cluff Road, has entered into a concession agreement with the City of Lodi to operate the Boat House at Lodi Lake. The Parks, Recreation and Cultural Services Department strives to meet the recreational needs of the community. One way to accomplish that at the Boat House is through a public-private partnership.

For many years, the City has rented canoes, kayaks and pedal boats to visitors at Lodi Lake. The equipment is more than a decade old and, while functional, often fails to meet the expectations of our customers. Meanwhile, kayaking and paddle boarding, continue to increase in popularity at Lodi Lake and the Mokelumne River.

Having Headwaters operate the Boat House will offer visitors a new rental fleet of 15 single kayaks, five tandem kayaks, two canoes, 15 stand-up paddle boards, four pedal boats and, of course, life preservers for safety. Rentals will be offered at an hourly rate, half and full-day rates. Headwaters will also offer guided tours on weekdays and weekends (see sidebar for more details).

The City of Lodi will retain ownership of the Boat House and will continue to provide motorized boat tours of the Mokelumne River from the same location. Everyone is hopeful that this public-private partnership will be prosperous for the entire community. For more information about rentals, please call Headwaters Kayak Shop at (209) 224-8367.

## Grammy Nominated Songwriter to Perform in Benefit Concert

The Lodi Arts Foundation will hold the **Art for All Benefit Concert** featuring Singer/Songwriter Steve Seskin. Steve is involved in a program called *Kids Write Songs* which is associated with the nationwide anti-bullying program *Operation Respect* campaign that has been implemented in over 20,000 schools. While in Lodi, Steve will lead several songwriting workshops at a local elementary school. Through the program, Steve is able to instill a love of the creative process with a focus on teaching tolerance and other anti-bullying efforts.

Steve Seskin is an accomplished performer, producer and songwriter who has written seven number one songs. Steve's hit songs include "Grown Men Don't Cry," recorded by Tim McGraw, "Life's A Dance," recorded by John Michael Montgomery, and "Don't Laugh At Me", as recorded by Mark Wills, and other compositions have also been recorded by well known artists.

The funds raised by the concert will benefit art enrichment programs in the community, including the *Kids Write Songs* program and the *Art Tuition Assistance Program* that provides opportunities for underserved children to participate in Art Specialty Classes at Hutchins Street Square. The Lodi Arts Foundation is a non-profit organization. If you are interested in volunteering, sponsorship opportunities, or making a donation please email [rosbollinger@yahoo.com](mailto:rosbollinger@yahoo.com) for more information [www.lodiarts.org](http://www.lodiarts.org).

## Skate Park Repairs

The Skate Park at Kofu Park re-opened to skaters in February. In December 2013, skate park users informed City staff that maintenance was required due to heavy wear.

As a result, City Council authorized the use of funds from a Recreation Trust account for repairs. These funds were used to replace ramp surfaces, purchase new fasteners and related hardware and weld broken park features. Additional materials are now in inventory to lesson the time of futures closures.

Just a reminder that all skaters must wear helmets and other proactive gear such as elbow and knee pads. Skaters can be cited by police officer for not wearing a helmet.

### Blue Grass Festival Bands

**Blame Sally** got started in 2000. The four women (Pam, Renee, Jerry and Monica) who make up the Bay area based group. They put their individual careers aside to start Blame Sally when they were in their late 30s and 40s. They are known for splitting the front person status among each of the four members going against the agreed-upon maxim that every group needs a single strong focal point. <http://blamesally.com>

**Cliff Compton and Mountaintop** is a big tent gospel bluegrass band. The influences on this band run from Pentecostal gospel, to do wop, bluegrass, country western and swing. The harmonies are Jazz influenced and heartfelt. The band also features spoken word front porch poetry with musical accompaniment. They are like the weather, if you don't like them, wait five minutes. <https://www.facebook.com/cliffcomptonbluegrass>

**Joe & Hattie Craven** are a musical father daughter duo who have separate and successful careers and often perform together. Joe Craven, a remarkably intuitive musician, has made music with many musicians ranging from David Lindley to Grateful Dead guitarist, Jerry Garcia. **Hattie Craven** is a budding ukulele player, singer, and song writer. Her summers are brimming with music festivals, camps, and travel. Having already built a reputation with main stage guest appearances, music festivals to standing ovations, she is becoming sought after as a peer group performer/educator in school outreach music programs with her father, Joe Craven. <http://joecraven.com> and [www.hattiecraeven.com](http://www.hattiecraeven.com)

**Snap Jackson & the Knock on Wood Players** is an award winning acoustic quartet hailing from Stockton, California. These four gentlemen effortlessly blend Americana, Bluegrass, Soul, and Old Time Music to create a unique, fresh, and energetic sound. It is obvious from the moment this group takes the stage that they are ready to have a good time. They have been featured on the same bill with such notable acts as Alison Krauss, Old Crow Medicine Show, Carolina Chocolate Drops, Punch Brothers, Special Consensus, Della Mae, Steep Canyon Rangers, and Vince Gill, just to name a few. <http://knockonwoodplayers.com>

**Evie Ladin / Evil Diane with Keith Terry and Erik Pearson** are tenacious, innovative string musicians/dancers with a quirky neo-trad soul, the ELB throws down soulful folk songs with an unusual live show. Their 2012 eponymous release, Evie Ladin Band, won Americana Album of the Year from the Independent Music Awards Vox Pop Vote. The polyrhythmic heat of Evie's clawhammer banjo, resonant voice, real stories and rhythmic dance have been heard from A Prairie Home Companion to Celtic Connections, Lincoln Center to Hardly Strictly Bluegrass. Known as a driving force behind San Francisco's Stairwell Sisters, Evie's songwriting is praised for making people laugh and cry. <http://www.evieladin.com>

## Traffic Control Box Art Coming Soon

The Art Advisory Board for the Arts in Public Places (AIPP) of the City of Lodi, have commissioned an additional 15 traffic control boxes for painting by local artists. Last year, the AIPP started with five traffic control boxes, that were featured in the Activity Guide in September 2013. Those boxes were well received by the community which provided encouragement to expand the project this year. This spring and summer, residents will see artists making their creations come to life.

Pictured is the Traffic Control Box located at Hale Road and Cherokee Lane. This box was completed in the last phase by artist Patti Wallace, who also created the Rooster at Reynolds Ranch.

For more information on the Traffic Control Box Art project please visit [www.lodiarts.org](http://www.lodiarts.org).

## **Meet Our Docent**

**Mary Fuhs** has been a Lodi Lake Nature Area volunteer docent for 12 years, ever since she retired from the City of Lodi's Police Department, where she served for 15 years as the Crime Prevention Community organizer. She was raised in Palo Alto, graduated from Chico State with a B.A. degree in Natural Science and moved to the Lodi area almost 30 years ago.

Mary says, "there is a little kid in me that still gets excited about wildlife, be it lizards, birds, or critters moving under a microscope. In 2003, we built a pond and watching it mature, transform and become a refuge for the wild animals in our area... its has been a total source of pleasure." When Mary is not volunteering, she loves to bicycle or sit and watch the birds.

Besides being a Lodi Lake Docent, she is a San Joaquin County Park Commissioner and also serves on the Advisory Board for EBMUD at Camanche Lake. She has also spent the last five years working to open the Woodbridge Wilderness Area, and 15 acres on the Mokelumne River, to the public. Her awards for community service include receiving the 2013 Susan B. Anthony award for Science, but, she says, her greatest honor came when the City of Lodi, under her leadership as a Crime Prevention Officer, received the National Night Out Award for 10 consecutive years.

### Kiln - Fused Art Glass Jewelry Workshops

Learn about the art and science of glass fusing! Susan Winton is a local artist, member of Art Expressions of San Joaquin Artists Co-op, and enjoys sharing the excitement of glass art with students.

Instructor: Susan Winton  
Location: Hutchins Street Square

2 Day Session  
Ages: 6+

#### Children (Ages 7-18)

In this 2-session workshop, students will prepare and fire glass to turn into a finger ring and also experiment with fusing a glass pendant piece using a "glass channel" technique. Tips and techniques for fusing will be shared during "hands-on" creation and each student will have TWO finished jewelry pieces to take home or give as unique gifts. *Workshop Requirements: \$10 materials fee (cash only, exact change) is due to the teacher at the beginning of the first class, which includes use of tools, handouts, glass, and all jewelry components and cords (with gift boxes, if desired).*

## Wire Wrap Jewelry

Fun or elegant jewelry can be made with wire of all types: sterling silver, copper, bronze, art wire. Most classes are suitable for both beginners and intermediate students. Skills learned in each class can be applied to subsequent projects. Information on wire, tools, materials sources, and design elements will be included. Students are encouraged to have their own basic tools (chain-nose pliers, flat-nose pliers, flush cutters). Some tools will be available for loan for first session of a student on a limited basis. Project kits will be available, see each month below for price breakdown. Students may use their own wire and stones (please contact instructor prior to class to assure the suitability of products). Please contact the instructor for any questions about this series of classes you may have.

### Border Wrap Pendant

Class Level: Beginner – Intermediate Project

Kit: \$10 silver, \$5 copper \$5 Bronze (Bronze available to Intermediate or Advanced students)

This project teaches skills in the traditional border-wrap method suitable for cabochons (flat cut stones, usually slightly domed in front). These skills are useful in most other wire wrap techniques. Intermediate students will have the opportunity to work with irregularly shaped stones, faceted stones, or other variations in design.

### Sculptured Pendant for Irregular Shaped Stones

Class Level: Beginners - Intermediate Project kit: \$10 sterling silver; \$5.00 copper

An irregularly shaped stone will be wrapped in a sculptural style. Suitable for crystal points, faceted stones, cabochons, tumbled stones. Intermediate students will have a chance to experiment more with the style.

### Sculptured Pendant for All Stones

Class Level: Beginners – Intermediate Project kit: \$10 sterling silver; \$5.00 copper

An irregularly shaped stone will be wrapped in a sculptural style, in the Preston Reuther tradition. Suitable for crystal points, faceted stones, cabochons, tumbled stones – just about anything. Intermediate students will have a chance to experiment more with the style.

### Basic Bangle Bracelet

Class Level: Beginners - Intermediate Kit: \$18 sterling silver; \$5.00 copper

This class will be a construction of a simple cuff bracelet. Skills taught: binding a wide bundle of Half Hard wire, shaping wire into bracelet shape, creation of clasp, preparation of this band for a fancy cuff bracelet. Intermediate Students will have the option of using wide patterned wire as well as utilizing other design variations.

## Theatre Arts

### Little Actor's Studio

Does your child have the acting bug? Then this class is perfect for them. Children will learn how to read scripts, characterization, and gain confidence to act in front of others, all while learning fun theater games and having a great time. This is a performance based class. Students prepare and use what they learn throughout the sessions to put on a performance at the end of the season. It is encouraged that students sign up starting at the beginning of the season. There will be no new student sign ups accepted the last month of the season. A supply fee of \$5 is due to the instructor for script copies.

### Summer Children's Theater

This is a production class for students who are interested in Musical Theater. Students will rehearse for a musical production that will be performed at the end of July. Students will learn character development, stage blocking, and exploring a plot line. Auditions will take place June 9 from 10-12am. Everyone who signs up for the class will be cast, auditions are just for role placement. Auditions will consist of students reading from the script, singing an excerpt of a song (that we will teach them that day), and performing choreography that we will also teach them that day.

## Music

### Children's Show Choir

The Choir is a fun environment where they will learn to perform songs as a group, learning harmonies and choir techniques in a Broadway musical style. Students have the opportunity to interact with kids their age and learn how to sing in a group. Once songs are learned, then students will perform them with choreography and movements. This is a performance based class. Students prepare and use what they learn throughout the sessions to put on a performance at the end of the season. So it is encouraged that students sign up starting at the beginning of the season. There will be no new student sign ups accepted the last month of the season. There is a \$5 class fee for copying music.

## Specialty Classes Enrichment

### IntelliBricks Lego Engineers and Robotics Camp

Let your little engineers work on big ideas. Investigate concepts in physics, mechanical engineering, robotics and structural engineering by building and manipulating models that mimic real life mechanisms. Explore the concept of sensors by creating your own special robot, learn about solar energy by building a solar vehicle, solve a real life problem by designing a working machine, build a car and race it. Possibilities are endless with our LEGO® elements. Our experienced instructors will guide your children through various projects. Please send a snack with your child everyday.

IntelliBricks will provide all LEGO® and touch screen computers for the camp. Children cannot take home any of their creations or LEGO® products. Look for our pictures in your email at the end of our camp. LEGO® group of companies does not sponsor, authorize or endorse any of our programs.

### Lesson Levels

#### Parent and Me (1-4 years)

Children work with their parent on basic skills, blowing bubbles, playing games, moving on their front and back, working towards independence from the parent to working with one of our instructors in a structured class.

#### Level 1-Minnow

This class helps students feel comfortable in the water and to enjoy the water safely. Students learn to submerge face independently and are introduced to floating and locomotion in a fun and safe environment.

#### Level 2-Seahorse

Successfully passing Level 1 or is able to fully submerge independently. Students learn kicking on front and back, basic breathing, front and back float, primary skills, 10 bobs and demonstration of alternating arms. This class gives students success with fundamental skills.

#### Level 3-Jelly Fish

Successfully passing Level 2 or able to swim and float independently on front and back. In this course, students will explore deep water, front crawl 15 yards; level off, introduction to breathing combined with a 5 yard stroke. This class builds on the skills in level 2 by providing additional guided practice.

#### Level 4-Otter

Successfully passing level 3 or is able to swim independently on front and back. Students will retrieve objects, swim 20 yards, coordinate the components of the front and back stroke, and tread water. This class develops confidence in the strokes learned and existing aquatic skills.

#### Level 5-Dolphin

This class provides further coordination and refinement of strokes. Students will demonstrate the survival float, deep water bobbing, refined breathing, standing dive, build endurance by swimming elementary backstroke, front and back crawl, basic breaststroke.

#### Level 6-Shark

This class refines the strokes so students swim with ease. Students will demonstrate breathing, diving skills, and will perform various strokes for increased distances.

#### Adult and Private lessons

We structure these classes to meet the individual needs of the participant.

### Summer Swim League

This program is designed to introduce you to competitive swimming. You can refine your swimming stroke in a fun and enjoyable team setting. You must be a Swim Lesson Level 4 swimmer and be able to swim 25 yards without assistance. Practices are held each night, Monday -Thursday, with dual meets on Friday evenings. Pools in use are Blakely, Tokay High, Lodi High and Twin Arbors. The League Championships are scheduled for mid-July. Registration begins March 3, 2014.

### Pool Program Descriptions

#### **Arthritis *PLUS***

If you want MORE from your Arthritis class, this **NEW** 50 minute class will definitely meet your needs. Includes range of motion, stretching and "core" strengthening that we love but goes a step beyond for those of you who are able to safely add low impact aerobics to your fitness routine. This may be the *PLUS* you're looking for!

#### **Arthritis**

45 minutes of NO IMPACT exercises to meet the physical needs of those with arthritis, recovering from injuries or surgery and also appropriate for anyone new to exercise. Instructors are trained and certified by the Arthritis Foundation.

#### **Conditioning**

Learn all the basic moves and how to safely use the equipment during this moderate 55 minute work-out. Grow in your experience through the various modifications to improve balance and flexibility. A perfect class for those of all fitness levels and ages.

### Stand Up Paddleboard

Lucky Dog Paddle Co. provides an appropriately sized Stand Up Paddleboard (SUP), paddle, leash, and a personal floatation device (PFD) fitted to you. We meet at Lodi Lake Park near the boat ramp, fill out paperwork, secure your belongings, collect your shoes, fit you to both a SUP & Paddle, and give you a brief land lesson regarding safety, method, and regulations regarding operation of a SUP - inland and in the ocean. We will assist you in carrying your SUP to the water and paddle out alongside you - on your knees or seated. On the water, we will get you to standing on your board - with confidence and safety. When you're ready, we'll take a short paddle and see some beautiful nature areas and wildlife as can only be seen from a SUP. We will stop for a short rest and then paddle back. Along the way, we will show you different paddle techniques and fun ways to navigate your SUP as well as tips on how to maximize your new skill in Paddleboarding! Stand Up Paddleboarding is not only an amazing full body workout, it is the best way to observe the beauty of the water and the wildlife in and around it. Minors under 18 must have a parent present to sign waiver. Parent does not have to stay for duration of lesson. Wear workout clothes that can be damp or wet, flip flops or sandals (bare feet on SUP), sunglasses/hat. Plan on arriving at least 10 minutes early to ensure we launch on time and together.

### Stand Up Paddleboard Yoga

Yoga practiced on a platform that is constantly in motion challenges keeping your alignment within the held pose. Your core muscles (the ones we hear about) plus every other muscle (the ones we forget about) must remain fully engaged while practicing yoga on a SUP (Stand up Paddleboard). The benefit is more definition in those muscles and strengthening without noticing its happening! Movement on a SUP must be done with more concentration, more intent, and more purpose. The connection of your body, breath, board, and water makes this Yoga practice special and yours alone. Practicing Yoga on a SUP, on beautiful water, surrounded by wildlife will make you more than a mere observer of nature, it takes you on as a willing participant in the beating drum of the natural world.

SUP Yoga includes Stand Up Paddleboard, Paddle, Leash, PFD. Wear workout clothes that can be damp or wet. No shoes on SUP. This practice is good for beginners or advanced yogis - modifications are provided. We meet, gather equipment, collect shoes, secure belongings, carry SUPS to water, then paddle to a shallow inlet (3-4' deep) and begin the beautiful practice of SUP Yoga. **For Yogi's safety on the water, must have beginning SUP Lesson from Lucky Dog Paddle Co.**

# After School Programs

## After School Playground Programs (ASP)

**For Grades K-6**

**Locations:** Lakewood, Larson, Reese, and Vinewood Elementary schools

**Hours:** 2 pm to 6 pm

**Minimum Days:** 12 pm to 6 pm

Recreation Staff offers homework assistance, snack, and a large variety of indoor and outdoor activities. Each site has its own supervisors, recreation leaders, and a cell phone. Children are allowed to bring their own toys, phones, and electronics. There are ASP rules that will apply to these items during program time.

All ASP sites require photo ID to pick up all children. The ASP registration packet has very specific and detailed program information on guidelines, payments, and fees that we highly recommend parents read before they sign the legal and binding enrollment agreement/contract. All registration must be completed in person. **The ASP billing fee is based on 180 school days, not full calendar days, vacation time, school breaks, or holidays.** For more information, please call Rachel at 209 333-6800 Ext. 2452.

### REGISTRATION INFORMATION

Pre-registration is required for all classes and programs except where noted! In-class registration will not be accepted. For registration information call HSS (209)333-5511 or Parks and Recreation (209)333-6742.

- Register early! Many classes fill before their registration dates.
- Classes may be cancelled if there is low enrollment.
- All registrations are taken on a first come, first serve basis.
- We will not call you to confirm your registration.
- Waiting lists will be established if a program is full. If a space becomes available, we will contact you. Only exact payment for classes/sports will be accepted.

### PROOF OF RESIDENCY REQUIRED

A "resident" is anyone living within the incorporated Lodi City limits. A "non-resident" is a Lodi P.O. Box address or anyone living outside the incorporated Lodi City limits.

### REFUNDS/CANCELLATIONS/TRANSFER POLICY

The City of Lodi Parks, Recreation & Cultural Services Department reserves the right to cancel a class/program, combine or divide classes/programs; to change the time, date, class location, listed fee, change the instructor and to make other changes which become necessary to ensure a quality experience for the participants. Class/program fees will not be prorated. Administration Fee, Non-Resident Fee, and/or Late Fee are NON-REFUNDABLE. NO EXCEPTIONS. See receipt for fees paid. Full refunds will be given if the department cancels the class/program. All refund checks will be given through the City of Lodi within 30 days, if approved. If paid with a credit/debit card, a refund will be applied back to card for the approved amount.

#### Hutchins Street Square

All students who wish to cancel their enrollment must notify the office, in writing, at least 10 business days prior to the start date of the class, or they will be subject to a forfeiture of the entire course fee. If a student does not show up for class, the customer thereby forfeits the full class fee. No requests for refunds or transfers will be accepted after a class begins. NO EXCEPTIONS. If a class is cancelled, students receive their choice of a full refund or rescheduling.

#### Parks & Recreation

Full refund will be given if the department cancels the program, for medical reasons (must have documentation), or the participant is cut from the program. No refunds or credits will be given after the class/program/league has had its second meeting. If an expenditure has been made on behalf of a participant (i.e. insurance fees paid, uniform costs), that amount will be deducted from the total refund.

### LIABILITY WAIVER & PHOTO RELEASE

Participants agree to indemnify and hold harmless, The City of Lodi, it's Council, Officer, Boards, Commissions, Agents and Employees for any loss or liability which results or is alleged to have resulted from my/my child's participation in this program. I/we agree to allow use of my/our photograph in program publicity.

## On the Cover

The cover photo was taken during a birding tour Dan Arbuckle of Headwater Kayak Shop held for the Sand Hill Crane Festival a few years ago. The festival includes tours around Lodi Lake and the Delta.

That evening his group explored the island teeming with wildlife and saw an active beaver den, a family of otters, Great Blue Herons, Egrets, Snowy Egrets, Night Herons, and Sandhill Cranes over head. It was one of the best tours he had ever been a part of.

"I feel this picture captures the beauty and stillness of the evening" said Dan, and he continued, "this picture was taken from a cheap point and shoot camera."

## Correction Notice

Katzakian Park was named after Bozant "Bo" Katzakian. It became official when the park was completed in 2001. He served on the Lodi City Council in the 1950's and 1960's. Mr. Katzakian participated with several committees, commissions, and organizations for the betterment of the community. The name of Katzakian Park, located at W. Turner Road, was chosen in 1998 from 63 suggestions.

Please note the January 2014 Activity Guide incorrectly attributed the naming of the park.
